

It is an absolute outrage that the government would try or even think of stopping the broadcasting of instant traffic & wheather. I was so grateful when this became available. I'm a frequent business traveler and like the benefits XM offers. I'm able to get a quick snapshot of what is going on both traffic wise an what the temp/wheather conditions are where I'm going.I pay for XM's service. This is not FREE.

PLEASE LEAVE XM THE WAY IT IS.

WHILE YOUR AT IT LEAVE HOWARD STERN ALONE TOO!!!!!!!!!!!!!!
